

Curriculum Overview

Summer 1 (Mighty and Powerful)

Communication and Language

We are going to be developing our story telling skills and using props.

We are going to be looking a longer complex sentences and show an understanding of these.

PE DAY – FRIDAY
Reading books/sheets and reading records in school every day please.
Please label all clothes and on sunny days please send a hat.
We ask that 8 hour suncream is applied before school.

Mathematics

This half term we will be focusing on counting larger amounts, subitising to 6, bonds to 10 and recognising numbers to 20.
We have our daily maths snack session where we begin to look at position and direction, problem solving and capacity.

Literacy

Our focus text will be 'Alexander's Outing'. We will be working on our retelling of the story and begin to write simple sentences.
We will continue with our daily phonics sessions.

Personal, Social and Emotional Development

We are going to looking at how we see ourselves as a valuable individual and celebrate what makes us special. We will also be working on team work skills and learn how to work well as a group.

Physical Development

We are going continue to work on our fine motor skills and in PE we will be looking at how to move in different ways and controlling our bodies safely.

Understanding the World

We will be looking at the life cycle of a Caterpillar with our very own caterpillars in class. We will be learning all about dragons and how to care for them. We are going to look at how we changed from being a baby to now.

Creative Development

We are going to be making dragons using a range of materials, making our own salt dough dragon and butterfly prints.
