

Ladybirds Curriculum Newsletter – Summer 2

As Readers we will be learning another information text called “The Marvellous Mobile Phone.” In this text, we will learn about effective persuasive language.

As Mathematicians we will be spending time developing our understanding of shape to include angles. We will also explore ratio and algebra as well as continuing to refine our knowledge of times table facts,

As Writers we will be undertaking some short burst writing to explore the use of appropriate tone for our audience. We will look at how adverts can present opinions as fact to persuade their audience also.

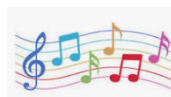

As Scientists we will continue our learning surrounding Charles Darwin and evolution. During Health and Wellbeing week, we will explore the effects of diet, drugs and cigarettes on our bodies.

As Historians we will continue to learn about the Ancient Greeks and how they still continue to influence life in the U.K today.

As athletes we will be developing our resilience to try new activities during Health and Wellbeing week. We will also take on our next term of Bushcraft to refine the skills we have previously learnt. During PE, we will develop our coordination by practising athletics,

As musicians we will finish our unit of “You’ve Got a Friend”. Year 6 children will work on their leaver’s performance.

In **PSHE** we will be further exploring the zones of regulation and what tools we can access independently to support managing our emotions. In **SRE**, we will be learning more about consent and how to keep our bodies safe.

This overview is intended to give you a flavour of what we will be learning this half term. If you have any questions, please do not hesitate to contact me.
