

Curriculum Overview

Autumn 1 (All about me!)

Communication and Language

We will enjoy sharing stories together discussing events, predicting what will happen next and developing our vocabulary. We will also practice using language to share how we are feeling.

PE DAY – FRIDAY If possible, velcro trainers!
As the weather starts to get more inclement please ensure your child has a coat and wellies in school.

Mathematics

This half term we will be focusing on learning to subitise numbers up to 4. We will introduce the concepts of ordinality and begin investigating the composition of small numbers. We will also begin investigating 2D shapes.

Literacy

We will introduce storytelling using actions and pictures.
We will also be creating our own collaborative stories with 'Make it up Mondays'
We will introduce daily phonics sessions, learning the single letter sounds.

Personal, Social and Emotional Development

We are going to become familiar with the daily routines at school. We will begin to learn how to resolve problems for example, when turn taking. We will also develop our independence by collecting and organising our belongings and making choices about where we will learn.

Physical Development

We are going to develop our understanding of space and our body management skills, for example, balance.

Understanding the World

We will be discussing how we are similar and different to each other. We will talk about our families, community and village.

Creative Development

We are going to be exploring the use of paint, pastels and chalks. We will build models of important buildings in our village and explore our feelings through colour.
